The train operates 7 days a week/24 hours a day from the airport to union station.

At a cost of \$10.50 (check link above for updated information), travelers can use the A Line to get from the airport to downtown Denver and vice versa, courtesy of the Regional Transportation District (RTD), metro Denver's public transit provider.

WHERE AND HOW TO BUY A TICKET (See website link above.)

Mobile ticketing is the easiest way to buy tickets. The convenient app allows you to connect to other RTD resources for trip planning. Tickets can also be purchased on rail line platforms at ticket vending machines, inside DEN or Union Station, or at any RTD sales outlet.

Also, there are Ubers and Taxi's from the airport to the hotel. These can be fairly expensive.
